CENSUS DEPARTMENT.

No. 2891.

OFFICE OF THE CENSUS SUPERINTENDENT IN MYSORE.

Dated Bangalore, 20th March 1911.

OFFICIAL MEMORANDUM.

Provisional Totals of the Census, 1911.

The recent Census taken on the night of 10th March 1911 shows for the Mysore State, including the Civil and Military Station, Bangalore, a total population of 5,806,796 consisting of 2,934,651 males and 2,872,145 females, the total number of occupied houses being 1,166,379.

2. Compared with the Census figures of 1901, the above totals indicate an increase of 4·83, 4·92, 4·73 and 5·01 per cent under the respective heads of total population, males, females and occupied houses.

3. The total population shows an increase in all the cities and districts in the State, except in the Malnad Districts of Kadur and Shimoga, where there has been a decline of 5·91 and 2·92 per cent respectively. There has been a remarkable expansion in the population of the Cities of Bangalore and Kolar Gold Fields which have gone up by 27·68 and 26·04 per cent respectively.

4. In all the districts, except Mysore and Hassan, the males outnumber the females; in these two districts, the female population is larger, although in the Mysore City itself males preponderate over females.

5. In the Civil and Military Station, Bangalore, and the Kadur District, the total number of occupied houses has declined by 14·58 and 3·56 per cent, respectively, as compared with the Census figures of 1901. All the other cities and districts show an increase which is especially remarkable in the City of Bangalore where the number of houses has gone up by 4,398 or 29·7 per cent during the decade.

6. Annexed statements will indicate details by cities and districts. It may be here mentioned that the slight interchanges in the territorial limits of the districts of Tumkur, Kadur and Chitaldrug that have taken place since the previous Census of 1901 have been allowed for in the statements by effecting corresponding changes in the previous Census (1901) totals of population of these districts so that the population in 1911 of these three districts stands compared with that of identically the same areas in 1901.

V. R. THYAGARAJA AIYAR,
Census Superintendent.
